EDUCATION

IBA Karachi | BBA **Aug 2022 – Jun 2026**

Relevant Coursework: Introduction to Statistics, Inferential Statistics, Data Manipulation & Visualization, Analytical Approach to Marketing Decisions, Essential Software (Python), Introduction to Digital Marketing.

PROFESSIONAL EXPERIENCE

Alpine Karakoram Adventure | Digital Marketing Executive Intern **Jun 2026 – Aug 2026**

- Led content and brand development across digital channels, producing Canva-based social media campaigns and promotional creatives while designing Figma website wireframes and mockups for website development.
- Drove customer acquisition through **Meta advertising**, managing campaign execution and lead generation while building **B2B partnership** opportunities with international travel agencies and travel content creators to expand market reach.
- Managed the client journey from inquiry to booking, handling client communication and follow-ups, designing custom travel itineraries and providing ongoing customer support.

Humantek | Sales Executive **Jul 2025 – Aug 2025**

- Generated sales leads and pitched digital branding solutions to gaming content creators across Twitch, Kick, Discord, Facebook, and Instagram.
- Analyzed **2000+ customer records** and engagement trends across **5 platforms**, targeting prospect qualification efficiency by an estimated **10%**.
- Built a KPI tracking dashboard to monitor outreach activities and visualize sales performance, reducing reporting time by **30%** and enabling more informed follow-up decisions.

The Ayat Foundation | Data & Development Intern **Jun 2025 – Aug 2025**

- Collected, cleaned, and structured a dataset of 70+ scholarship opportunities for an application development, enabling data-driven guidance for Gilgit Baltistan students.
- Assisted a group of research team in collecting and analysing data on educational accessibility across GB districts and identified critical gaps.
- Executed social media fundraising campaigns for flood-relief operations, increasing awareness and supporting community mobilization efforts.

LEADERSHIP & ENTREPRENEURSHIP

- Co-founded **Thorsay Welfare Organization**, a community-based initiative focused on education, healthcare, and environmental development; led education-focused initiatives including student financial assistance, a library development, and fundraising efforts, generating **PKR 3M+** in donations for **Minab School (Iran)**.
- Led education programs at **Al-Meezan Trust** in collaboration with the Education Committee, monitored 80+ student performance, identified improvement areas, and conducted presentations, monthly assessments and development seminars.
- Worked closely with **Rahnumaa** on student career counselling and scholarship awareness initiatives across 40+ schools while effecting 5000+ students in Skardu region.

SKILLS

Programming: Python (Pandas, NumPy, SciPy, Matplotlib, Seaborn), SQL
Tools & BI: Power BI, Tableau, Advanced Excel (Macros, Pivot Tables, Power Query), Figma
Analytics Techniques: EDA, Data Cleaning, Data Visualization, Statistical Analysis, ETL, KPI Monitoring

PROJECT

ELP | Repositioning of Marshmallows (Candyland)

- Diagnosed a confectionery brand's marshmallow line by running 8 consumer focus groups with 75 participants, uncovering the useful insights and emotional drivers for repositioning brand for kids aged 6 to 14.
- Uncovered a distribution gap across 5 e-commerce platforms and 6 retail stores, then built a trade plan to fix stockouts and channel listings for better visibility. Then planned across content and packaging ideas to grow existing consumer pull.

CERTIFICATIONS
